Help Me God

Dear God

Help me be honest
And truthful forever
Grant that wrongs I
do never.

Let me uphold truth
By truth let me live
You've given me so
much

This boon also kindly
give.

When God Visited

Once there lived a woman in a village. She prayed to God every day to appear before her. One day, God came in her dreams and told her that he would visit her the next day.

The woman was very happy. She worked all day to make arrangements to welcome God. She cleaned up her house and prepared many delicious dishes, and then started waiting eagerly for God to arrive.

Suddenly, someone knocked at the door. The woman rushed to open the door but finding that the visitor was a beggar, became angry. She drove the poor man away saying that she was waiting for God and did not want to be disturbed.

After a while, there was another knock at the door. This time it was an old woman asking for help. The woman sent her away saying, "I'm sorry, I can't help you today. I'm waiting for God!"

Someone knocked at her door for the third time. This time, it was a blind man who had come asking for water. However, the lady turned even her third visitor away.

The lady kept waiting for God. Hours passed by, and soon it was noon. She was disheartened by now and fell asleep and soon, God appeared in her dream. "Why did you not visit me, Lord?" She asked and God replied, "I visited you thrice and each time you sent me away."

सबके प्यारे चाचा नेहरू

चौदह नवम्बर को मोतीलाल के घर फूल खिला,

नाम उसे बेशकीमती जवाहर लाल मिला।

था लालों का वह लाल भारत माता का सपूत,

बड़ा हो बना विश्व के लिए शांति दूत।

धवल परिधान पर लाल गुलाब था उनकी पहचान,

पंचशील भारत का प्रथम प्रधानमंत्री उसे बनाया,

आधुनिक भारत का निर्माता भी वहीं कहलाया।

वे बच्चों के प्यारे, बच्चे थे उनको प्यारे,

देश ही नहीं विश्व में थे वे न्यारे।

चौदह नवम्बर उनका जन्मदिन है यानी बाल-दिवस है,

दिन है यह विशेष त्योहार बड़ा पावन है

नमन है उन चाचा को जिनका जीवन प्रेरक रहा है।।

कविता - ये मॉनीटर

ये मॉनीटर बने ब्लास के
कोरी शान दिखाते है
कक्षा में यदि शिक्षक न हो
तो खुद शिक्षक बन जाते हैं।
तनिक बोल दो धीरे से
तो कागज पर लिख देते नाम
मैडम जी से चुगली करना
हरदम रहता इनका काम
कक्षा में रोबीले बनते
न करते सीधे मुंह बात
सदा नाक पर गुस्सा रहता
काश ! ये होते विद्यावतार।

Deepawali is Here...

Deepawali is here, Deepawali is here
That grand festival of lights
That ends evil after a protracted fight
When good with all its might
Leads us from darkness to light
Deepawali is here, Deepawali is here
That great festival of sound
When crackers and laughter abound
When crackers and sparklers light up the sky
When delighted children jump very high
Deepawali is here, Deepawali is here
That gorgeous festival of snacks and sweets
Where everyone enjoys a royal feast
when old and young with delight meet
with love and affection all hearts beat.

Time

Time is important for everyone
It never stops for anyone
We shouldn't waste it at any cost
It never comes back; once it is lost
Time passes very fast, with much speed
It will never wait, even if we need
Time is good, Time is bad,
It makes us happy, it makes us sad.
Time is very precious, & should be used
carefully. And if we do, we'll always live
happily.

Noting is Impossible

On the roads of this thorny journey
Leave your mark behind
To tell the world that you do
What you decide in your mind
Let your dreams fly past the sky.
Let your ambition be truly worth-
While, be efficient and be hard working
Change your worries into a smile.
Nothing is impossible for him who is strong.
And way out of rocks you have to make
You have the spirit and the caliber
Achieve your dreams for your sake
And then finally with the flag in your hand
Stand out and tell every one
That you have become what you wanted
And what you said, you have done.
